Masiello will not run for chairmanship of Erie County Democratic Committee

Anthony M. Masiello, president of Masiello, Martucci, Calabrese and Associates, has announced he will not seek the chairmanship of the Erie County Democratic Committee.

“After much reflection with my family, partners and loyal supporters, I have concluded that for personal and professional reasons, I am not a candidate for the chairmanship,” Masiello said. “This decision is in the best interests of my family and our firm. I am most grateful to Governor Cuomo for his understanding and acceptance of my decision.

“Under the governor’s leadership, Buffalo and Erie County’s position continues to improve every day, and as we move forward, I am confident that positive trend will continue,” Masiello said.

Masiello, who served as the 57th mayor of the city of Buffalo for 12 years, also served as a member of the Buffalo Common Council (1971-1980) and was Buffalo’s state senator (1980-1993), said he will continue to focus his energies on serving MMCA’s clients. “Our firm has a growing list of clients, and this decision will allow me to continue to deliver the results our clients need.”
